Grafton, OH | (440) 328-7644 | gracianna.beckett1@gmail.com | LinkedIn URL

PROFESSIONAL SUMMARY

Marketing and Management student at Baldwin Wallace University with hands-on experience leading product marketing initiatives, cross-functional project management, and market research across the manufacturing and energy sectors. Known for strategic stakeholder engagement and leveraging AI-powered productivity tools to optimize business processes. Seeking an internship where I can apply industry insights and cross-functional leadership to drive measurable growth.

EDUCATION

Baldwin Wallace University | Berea, OH

Bachelor of Arts in Marketing & Management | **Expected Graduation: Fall 2027**

- **Honors:** Dean's List

Clemson University | Clemson, SC

Coursework in Marketing and Management (2024–2025)

CORE COMPETENCIES

- **Project & Product Marketing:** Go-to-market execution, cross-functional coordination, brand development, and campaign performance analysis.
- **Market Research & Strategic Analysis:** Competitive benchmarking, policy analysis, acquisition data synthesis, and technical report drafting.
- **Executive & Stakeholder Engagement:** Domestic and international trade show representation, board-level communications, and AI-driven content development.

PROFESSIONAL EXPERIENCE

RW Beckett Corp. | North Ridgeville, OH

Marketing & Project Management Intern | **2021 – Present**

- Lead cross-functional product marketing initiatives, coordinating between engineering, sales, and executive teams to support core product lines.
- Represent corporate interests in national policy advocacy, participating in New York lobbying efforts addressing electrification and the transition toward B100 biofuels.
- Participate in international industry summits and Eurofuels conferences in France to assess European regulatory policies and emerging environmental standards.

- Script, record, and deploy technical troubleshooting training videos using Synthesia AI for the Genisys platform, streamlining support resources for technicians.
- Assist executive leadership in financial due diligence by compiling and organizing target acquisition financial data into structured analysis sheets.
- Direct brand presence across five years of domestic and international trade shows, facilitating high-level client relations and capturing market feedback to inform product strategy.
- Manage social media campaigns and giveaways while sourcing and editing technical product assets for global distributor networks.

Oil Heat Cares | Industry Non-Profit

Board Member | **2026 – Present**

- Collaborate with board leadership to direct non-profit initiatives, evaluate community heating support projects, and engage industry partners.
- Contribute to sponsorship rate structures and fundraising strategies to maximize donor participation across energy service networks.

Women in Energy | Remote / Hybrid

Marketing Intern | **Summer 2025**

- Executed digital media strategies to amplify organizational initiatives and expand professional network reach across platforms.
- Coordinated logistics, attendee communications, and promotional materials for large-scale industry events.
- Conducted market research to identify member engagement trends and improve social media performance.

KEY PROJECTS & GLOBAL STUDIES

- **Renewable Energy Research (B100 Biofuels):** Authored technical and policy analysis examining infrastructure feasibility, regulatory hurdles, and emissions impacts of B100 fuel adoption versus total electrification.
- **Global Manufacturing & Operational Analysis:** Conducted on-site operational reviews across six manufacturing facilities in France, Italy, the UK, and China to evaluate supply chain efficiency and management structures.
- **EquiThrive Go-to-Market Strategy:** Formulated market research, target audience personas, and a competitive matrix for a subscription-based digital equestrian platform.

LEADERSHIP & PHILANTHROPY

- **Varsity Athletic Leadership:** Served as Captain for both high school Cheer and Volleyball teams; commanded team communication, strategy, and training discipline.

- **Worship Leader:** Led four years of weekly musical services, managing public speaking and team coordination for large audiences.
- **Community Engagement:** Supported community assistance programs with Laura's Home and Cornerstone Pregnancy Center.

TECHNICAL SKILLS

- **Software & Tools:** Synthesia AI, Microsoft Office Suite (Excel, PowerPoint, Word, Outlook), Canva, Social Media Platforms (Instagram, Facebook, TikTok).
- **Methodologies:** Due diligence data entry, promotional campaign management, technical scripting, and trade show operations
